AFRICANA STUDIES

Dear students:

I trust this note finds you, your family, and loved ones safe and in good health.

The changes to our collective daily lives as a result of the COVID-19 outbreak have been unprecedented. As a result, the Africana Studies faculty believe it important—now more than ever—that you, our students, hear from us directly.

We hope that you will take a moment to watch a video that we composed addressed to you. You may access this video on our department homepage.

We are here for you and we look forward to remaining in touch through a variety of mediums in this period of remote education and social distancing. Be well.

With respect,

on behalf of AFR faculty,

Professor Roberts

Chair of Africana Studies
